While Plaintiff has filed a “Response” * to the Report and Recommendation (“R&R”) of the Magistrate Judge, it does not appear to be an objection, but rather a request to amend, consistent with the Recommendation. Defendants have not objected to the R&R. Accordingly, the R&R of the Magistrate Judge is adopted, in its entirety, and the request to amend is referred to the Magistrate Judge consistent with the original Order of Referral.

United States District Judge

* There are two Responses, both filed February 5, 2018 (Dkt. Nos. 9 & 10), identical in all respects, except the second (Dkt. No. 10) includes an attached amended complaint.
